

ETC ACTIVATED
 IN DECEMBER 2013
 ETC services handed over to implementing partners on 21 July 2023.

In the Central African Republic, the ETC supported the provision of shared ICT services to humanitarian in 13 common operational areas between 2013 and 2023. The ETC also supported the affected population with services for the community in Bangassou, Bangui, and Bria, including a learning centre and cybercafé, phone booth, charging station, Common Feedback Mechanism, and COVID-19 information hotline. On 21 July 2023, the ETC initiated service transition to local partners on the ground and closed.
