

ETC ACTIVATED

IN DECEMBER 2013

In the Central African Republic, the ETC supports the provision of common ICT services in twelve common operational areas, namely: Alindao, Bambari, Bangassou, Bangui, Birao, Batangafo, Bossangoa, Bouar, Bria, Kaga-Bandoro, N'Délé and Paoua. The ETC is focusing on enhancing security telecommunications infrastructure throughout the country in collaboration with other agencies and the Telecommunications Security Standards (TESS) project. The ETC is working with partners to host planned services for communities in Bangassou and Bria.

ETC provides up to

- 7** Emergency communications support services to humanitarian organizations
- 13** Common operational areas

PARTNER ORGANIZATIONS

10 Supporting ETC response in Central African Republic
