

ETS ACTIVATED

IN OCTOBER 2018

The Emergency Telecommunications Sector (ETS) has established a telephone hotline that serves as a Common Feedback Mechanism in Libya, allowing affected populations to access information about humanitarian services and provide their feedback in eight languages. The ETS is also strengthening UN security communications in Libya by implementing back-up radio and satellite communication solutions.

ETS is providing services in

2 Common operational areas (Tripoli and Benghazi)

Plus a nationwide Common Feedback Mechanism (CFM)

Hotline for COVID-19 and humanitarian information

Chatbot for frequently asked questions
