

ETC ACTIVATED

on 25 May 2023

WFP, as the lead agency of the Emergency Telecommunications Cluster, has been sharing connectivity with humanitarian in Port Sudan since 24 April. Following the activation of the ETC in Sudan, the cluster is working to expand common internet services to new sites in Port Sudan and new locations across the country.

The ETC is planning to provide

- Internet connectivity
- Security communications services
- ICT Helpdesk

in 10 Common Operational Areas

- And explore needs for platforms for communications between humanitarian and the affected population

ETC Sudan funding appeal

68%

US\$ 4.3 million received out of the US\$ 6.3 million

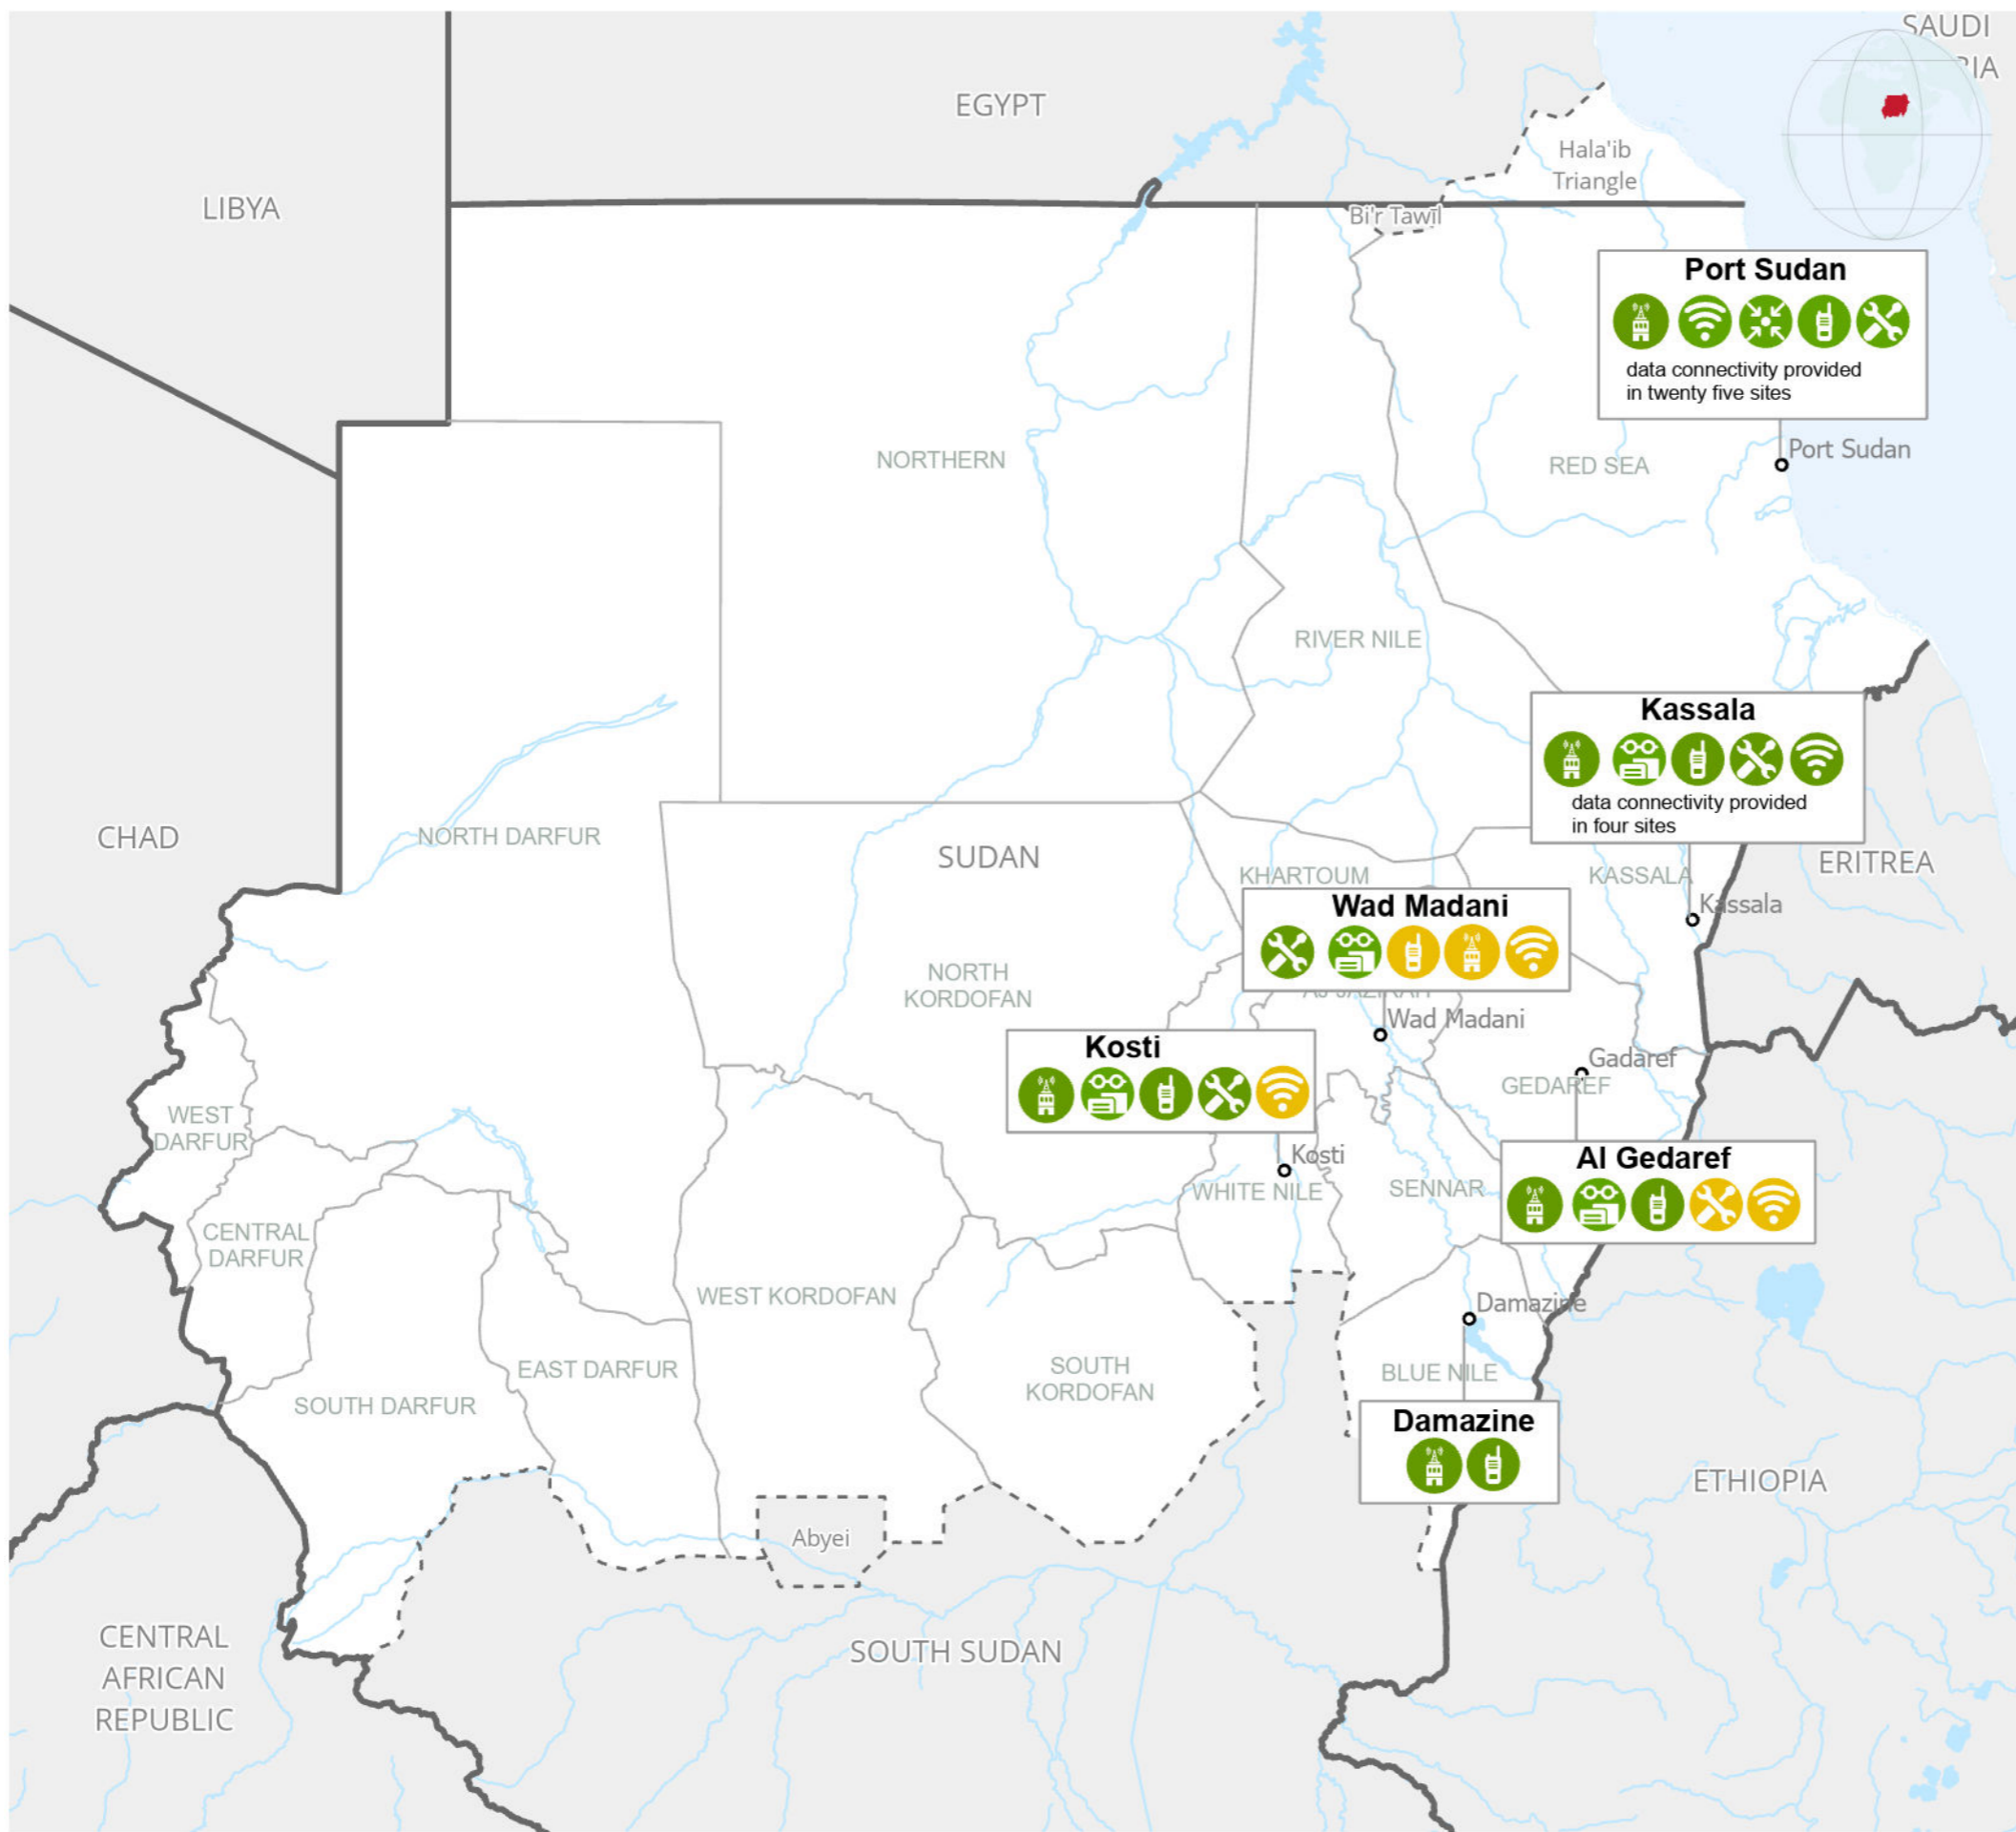

ETC Coordinator: Omar Namaoui

ETC Information Management Officer: Bright Ocokdhogu

Email: Sudan.ETC@wfp.org
