ETC Activated

on 3 March 2022

The Emergency Telecommunications Cluster (ETC) is repositioning equipment and personnel in Poland and conducting assessments in Ukraine to prepare for the deployment of back-up connectivity and security communications solutions for humanitarian partners operating in the country.

The ETC is planning to provide

- SOC setup
- Security Communications
- Internet Connectivity
- ICT Helpdesk

in **5** Common Operational Areas

and will facilitate communication with the affected population through the ETC Chatbot

ETC Ukraine Funding Appeal

72%

Received: US \$ 2,1 million

Requirement: US \$ 2,9 million
