

ETC Activated

on 3 March 2022

The Emergency Telecommunications Cluster (ETC) is deploying secure networks and back-up connectivity for humanitarian workers while working to obtain approvals for the establishment of radio security communications in Ukraine.

The ETC is planning to provide

- UNDSS Security Operations Centre (SOC) support
 - Security Communications
 - Internet Connectivity
 - ICT Helpdesk
- in **5** Common Operational Areas
- and is facilitating communication with the affected population through the ETC Chatbot

ETC Ukraine Funding Appeal

100%

Received: US \$ 3.72 million

Requirement: US \$ 3.72 million

to provide services until December 2022

ETC Coordinator: Mohamedouabou Ndiath
IM: Kehinde Adewara
Email: Ukraine.ETC@wfp.org
